## DISCOVER | EXPERIENCE | TRAIN

**Every two years, Natural Stone and Stone Technology competence forum  
is offering the branch meeting in the Nuremberg Exhibition Centre.**

The Stone+tec offer is divided into **four main subject areas**. The trade fair invites visitors to discover and experience and is aimed at all stone processors from the construction, cemetery, monument and design sectors as well as building owners and contractors, architects and planners. Stone+tec is rounded off by an interesting supporting program with specialist presentations on an open stage at the trade fair.

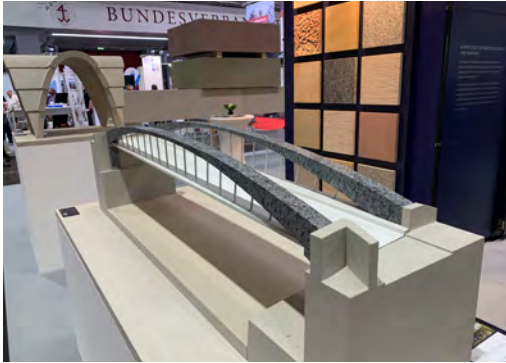

Once again, the renowned architecture prize „Deutscher Naturstein-Preis“ will be awarded by the Verband Deutscher Naturwerkstein.

- Are you looking for a platform where the national and international stone branch can meet?
- Sustainability, regionality and new technologies are a must-have for you?
- Would you like to acquire new customers and maintain long lasting contacts?

**Then the Stone+tec is the right place for you.**

*„The trade fair is and remains the most important meeting place for the industry. Visitors came from all over and we are satisfied with how the trade fair went. Friday in particular was fantastic and our stand was very busy. We hope that this trend will continue.“*

**Ernst Strassacker GmbH & Co. KG, Edith Strassacker, CEO**

*„At Stone+tec, we were able to win back old customers that we had lost sight of. We also had good discussions with new customers and were pleased to meet our existing customers in person in Nuremberg. We look forward to returning to Stone+tec in two years' time.“*
